COMES FROM BEHIND AND BEATS PENTECOST BY A NECK.

Dovecote Takes the Galety Stakes-Blues, Odds on, Beaten by Surmise in Rec-ord Breaking Time-Fred Gebhard's Golden' Drop Beats a Good Field.

James Galway's celebrated colt Meltonian, ance of the season at Morris Park vesterday the fourth face many turimen were ready to year-old of the year. The race was for 1902, or 1903 at seven furlongs on the Withers course, and Meltonian, coupled with his stable companion Brigand, ruled favorite at odds on Fred Gebhard's Gay Boy, A. Featherstone's Ingold and E. R. Thomas's Pentecost were also well played. James release of the barrier and set a smashing pace to the middle of the stretch. There Pentecost, who had clung to him all the way. looked like a winner until Martin came from away back with Meltonian, who, with gigantic strides and superb action, rushed on

while Pentecost stood a sound whipping with remarkable fortitude. Ingold ran third a length and a half away, with two lengths over Brigand. The latter was cut on the fore leg and Gay Boy also received three gashes just above the hocks. The race was run in 1:2614, half a second behind the track record. It was not a successful day for favorites as only two of them landed the coin but all of the winners were backed which sent the as only two of them landed the coin but all of the winners were backed which sent the big crowd of 12,000 enthusiasts hway in good spirits. The only stake feature was the Gaiety, for two-year-old fillies at four and a half furlongs straightaway, with eight staters of the lot Andrew Miller's Julia M. was favorite at 11 to 5, with a heavy play on Foxhall P. Keene's Dovecote at 5 to 2. It was a thrilling race all the way to the wire. First M. Theo was in front, then Julia M., with Dovecote always within striking distance of both. In the final drive Gamen banded Dovecote winner, by a length in 0.52, a record for the stake at this distance and equalling the best time for the course. Bulingan put up a furlous finish on Contentious and she collared the place from Tepee by a head, the latter beating Julia M. a sinilar distance.

In the sixth event, a handicap at a mile and a sixteenth over the hill, Blues was a heavily backed odds-on favorite, but there was a hot tip in circulation on Surmise, who was becked down to sixes. The latter received thirty pounds from Blues, according to the scale. Fuller took Blues right to the front, attended by Eed Knight and Injunction. Mr. Farrell's erratic borse had a commanding lead as he turned into the stretch, but as Haack rushed up with Surmise Blues displayed his old trick of stopping. Fuller went at him, hammer and tongs, and for the first time in his career Blues actually settled down to game running under punishment. But it was too late, for Surmise went on and won easily by a length and a half in 1451, clipping three-quarters of a second from the track record hung up in 1890 by the famous Ethelbert, who carried upon that occasion 122 pounds. Injunction was third, two lengths away.

TRAINER HOWELL RULED OFF. IN THE BASEBALL WORLD.

William Howell, the trainer of the horse Dr. Riddle, who died from the effects of alleged "dope" at Morris Park last Friday, was ruled off the turf yesterday by the stewwas ruled off the turf yesterday by the stewards of the Jockey Club, who held a meeting at Morris Park. Those present at the meeting were August Belmont, James R. Keene, J. H. Bradford, H. K. Knapp, F. R. Hitchcock and Andrew Miller. Howell was ruled off under rule 162 of the rules of racing, which

"Any person who shall be proved to have affected the speed of a horse by the use of drugs internally, whether administered by hypodermic or any other method or who shall have used appliances, electrical or me-chanical, other than the ordinary whip or

spur, shall be ruled off."

For the benefit of Trainer O. F. Waters, \$100 was appropriated. It was resolved that hereafter all applications for the registration of foals upon payment of lines prescribed by the rules must be accompanied by the fine. R. S. Taylor received permission to register the name "Susie Letcher" for the filly by Bill Leecher—True Blue II., upon payment of a fine of \$50. Andrew Miller was appointed steward to represent the Jockey Club at the Gravesend meeting. Jockeys Adams, Rowden, Ryer, Schoen, Williams and Walker received licenses.

After Meltonian had won his race yesterday, his owner, James Galway, received and refused several offers for the colt who was the subject for much discussion. It was the unanimous opinion of turfmen that the big son of Melton, bred by the late Marcus Daly and bought as a vearling for \$2,000 by Mr. Galway, is a coming racehorse and stands a fair chance to win some of the richest three-year-old stakes of the year. Meltonian is eligible for the Broadway Stakes, the Brooklyn Derby, the Tidal Stakes and the Lawrence Realization.

Meltonian is one of the biggest horses in training, and when he stepped out of the paddock gate he weighed Just 1,175 pounds. E. R. Thomas put a heavy commission on Pentecostand and under the circumstances ran a splendid race.

CHICAGO, May 22.—After a pitchers' battle
between Chesbro and Roy Patterson, which
lasted for eleven innings, the Chicagos defected the New Yorkers in the final game of
the series by the score of 2 to 1. Both Patterson
and Chesbro were at their best and nitched
magnificent ball. The home team gave Patterson perfect support in the fleid, while the ragged
fleiding of the visitors in the eleventh inning
really cost New York the game. The brilliant
fleiding of Hallman, Jones, Callahan, Isbell and
Tannehill proved the features of Chicago play.
Keeler, O Connor, Long and Fultz did the best

Regarding the parade to be held this afternoon in Brooklyn under its auspices, the committee of the Long Island Automobile Club says:
"Legislative agitation has resulted in instilling into the minds of many the impres-

stilling into the minds of many the impression that the automobile is a death-dealing monster continually on the rampage. Coffin Back on Yale Crew to Strengthen It. NEW HAVEN, May 22.-Ralston R. Coffin, senior in the Sheffield Scientific School, the senior in the Shemeld Scientific School, the 'Varsity oarsman who broke training a few weeks ago, was reinstated to-day by a vote of the crews. The action of the boating authorities in allowing Coffin to again row is causing much comment by the undergraduates. Coffin's offence, they say, was such a breach of training that his being back on the crew came as a great surprise. His reinstatement is due to the fact that he was needed to strengthen the crew.

FIRST RACE, 2:30 P. M. FIELD, 50 CENTS. TO TEST BAILEY LAW.

Governors of Auto Club Have Laid Plans and Are Walting. Definite plans are being formed by the

fficials of the Automobile Club of America to make test cases of any of the provisions of the new Bailey law that may be enforced of the new Bailey law that may be enforced in an obnoxious way. A meeting of the law committee of the club was held yesterday and subsequently a meeting of the Board of Governors. At the governors' meeting the law committee submitted its plans regarding the law, and they were approved by the governors. All that could be learned was that the club will wait and take note how the authorities act with regard to enforcing the sections of the law which are deemed susceptible of attack, and no fight will be begun by the club until some of these obnoxious and questionable legal provisions are enforced. It was strongly hinted by Judge J. C. Church, when the law was being discussed, that it was so framed that several of its provisions could be overthrown in court, and the club has apparently decided to wait for its chance to attempt this.
